
PEBBLES WIREMAN

PhD | Inspirational Speaker

Award-Winning Author | Storyteller

Faith. Perseverance. Purpose.

SIGNATURE KEYNOTE

From Unwanted to Unshakable

Discovering God's Purpose

Through personal testimony, vivid storytelling, and biblical encouragement, Pebbles leads women on a journey from rejection and pain toward identity, surrender, and purpose in Christ. Her message invites each woman to consider how God can use every part of her story, including the chapters she never would have chosen.

AUDIENCE TAKEAWAYS

- Recognize that past rejection does not determine their worth in Christ.
- Discover how faith can sustain them through hardship and uncertainty.
- Identify a next step toward living with courage and God-given purpose.

MEET PEBBLES

Pebbles Wireman, PhD, is an award-winning author, inspirational speaker, and founder of The Mooky Project. Drawing from childhood adversity and her ongoing journey with serious illness, she shares a deeply personal message of hope, perseverance, and faith. She holds degrees in Communications, Ministry, and Organizational Leadership.

EVENT FIT & ADDITIONAL THEMES

Ideal audiences: Women's conferences, church gatherings, retreats, and faith-based leadership events.

Additional themes: Finding Faith in the Storm; Purpose Through the Pain.

Format: Keynote presentations and retreat messages tailored to your event.
